

PRESIDENT'S MESSAGE

Our annual meeting for 2007 was held Saturday afternoon, May 17, during the ROPEX stamp show in Rochester. ROPEX this year was held for the first time in a collegiate sports complex (ESL Sports Centre, Monroe Community College), and was located within the building on one of its hockey rinks boarded over for the show. .

The rink itself provided ample space for dealers, exhibits, youth activities, Post Office, awards display and tables for the RPA, visiting groups (including ESPHS) and free literature. The meeting rooms were two stories above and offered a view of the show floor for those at the meetings. The whole building being air-conditioned, it was a comfortable, functional venue for all concerned. No one needed to sit in the bleachers!

Elsewhere in this *Bulletin* you will find Society Secretary George McGowan's record of the business transacted at the meeting and summaries of the various committee and other reports received. Joe Rowbottom and I were reelected to new two-year terms as Vice-President and President, respectively, and John Cali, Drew Nicholson and John Nunes were reelected to new three-year terms as Directors (Class of 2010).

There are nine directors all told and three of them are up for election each year. The other Executive Board members (President, Vice-President, Secretary and Treasurer) serve two year terms, with the President and Vice-President terms expiring in odd-numbered years and those of the Secretary and Treasurer in even-numbered years.

This is my fifth consecutive term as President (I was first elected in 1999) and Joe Rowbottom's sixth consecutive term as Vice-President. At least three of our current directors, Gerald Wiley, Maris Tirums and Bill Hart, have served on the Executive Board even longer.

Gerald Wiley has asked to be replaced because he can no longer get to our meetings. Gerry has been a big part of the Society, writing about and promoting the postal history of New York's Northern Region (Jefferson, Lewis, St. Lawrence, Franklin, Clinton, Essex and Hamilton Counties). It would be nice if someone residing in or collecting the postal history of this region could take Gerry's place. Anyone interested? Please let me know.

We staffed a table all three days at ROPEX in a good location with plenty of traffic. A number of people took membership applications as well as our other handouts. Our table included a display of our publications, and this generated considerable interest. We sold our last copy of *New York Postal History: The Post Offices and First Postmasters from 1775 to 1980* by John L. Kay and Chester M. Smith, Jr. and our Publications Price List had good distribution.

(President's Message continued from page 1)

I had plenty of help at the Society table: Frank Braithwaite, Bill Hart, David Przepiora, Bob Davison, Ann Triggler, Ada Prill, John Cali and George Dekornfeld all took turns. I've probably left somebody out, for which I apologize.

George Dekornfeld brought in the books we had on display and took them back to Drew Nicholson in Pawling. I am grateful as well to George McGowan for bringing covers to our private trading hour before the annual meeting. Assuming we return to the same venue for our annual meeting next year, the trading hour could easily become a much larger event!

I'm looking forward to our fall (semi-annual) meeting at Madison Square Garden in New York City. Frank Braithwaite's article in the *Bulletin* will tell you more about this event; Frank is in charge of arrangements and needs your input. The Society is 40 years old and I believe this will be the first time it has met in New York City.

The fall meeting is not required by the Society By-Laws but has become an enjoyable tradition, usually with a speaker on some aspect of postal history, ample opportunity for co-mingling with other collectors of NY postal history, and voting for the winner in the Society's annual four-page exhibit competition.

Society members should plan to bring to the fall meeting four pages of connected N.Y. postal history to be displayed on a table for the Kenneth R. deLisle Award. The winner is determined by vote of those present, taken at the conclusion of the meeting. The deLisle Award is a handsome walnut plaque outline of New York State, suitably engraved, and will be given to the 2007 winner at the 2008 annual meeting.

Thanks to all for your help and support. It is always appreciated.

**SWEETING AWARD MULTI-STATE
POSTAL HISTORY EXHIBITING COMPETITION
WILL BE HELD AT PNSE 2007
NY POSTAL HISTORY EXHIBITS URGENTLY NEEDED!**

As reported in the March Bulletin, ESPHS has been invited by the Pennsylvania Postal History Society to participate in a multi-state postal history exhibiting competition at the 2007 Philadelphia National Stamp Exhibition (PNSE), Sept. 7-9 in the Valley Forge Convention Center, King of Prussia, PA.

It has now been decided there will be TWO competitions running simultaneously: (1) a Keystone Cup competition awarding cash prizes to the top four societies and the Cup to the winning society, but using only the point scores earned by a society's top three exhibits to determine its order of finish, and (2) a Sweeting Award competition, in which the point scores for each exhibit are counted, thus encouraging greater participation by members of the competing postal history societies.

The Sweeting Award is a large plaque with panels for 36 entries. The name of the winning society is engraved on the appropriate panel along with the name of the show hosting the competition. The winning society has the right to hold the next competition and keeps the plaque until there is a new winner.

ESPHS won the first Sweeting Award competition, held at ROPEX 2004 in Webster, NY. It waived its right to hold the second competition in order that Ohio, the second place society in 2004, could host it at March Party 2006. Ohio won the second round, ESPHS fell down, and Ohio passed to Pennsylvania.

The rules for the Keystone Cup competition at PNSE 2007 require a minimum of three exhibits (single or multi-frame) before a society can enter the competition; there is no such requirement for the Sweeting Award competition.

ESPHS will have the required minimum to enter the race for the Keystone Cup, but will need at least two more gold medal level exhibits to have a chance at winning. More important, in order to take back the Sweeting Award, Empire State will need both quality and quantity. Every entry helps in this competition!

NY postal history exhibitors take note: NOW is the time to come to the aid of your Society! The PNSE 2007 exhibiting prospectus can be downloaded at <http://home.att.net/~pnse> (PDF format preferred), or hard copy obtained by contacting Al Parsons, 809 Holley Rd., Elmira, NY 14905, phone (607) 732-0181 or email, alatholleyrd@aol.com.

ARTHUR H. GROTEN'S DISPLAY CLASS EXHIBIT ON ADIRONDACK HOTELS TAKES ESPHS AWARD AT ROPEX 2007

Are We There Yet? Adirondack Hotels: The Classic Period to World War I, a five frame display class postal history exhibit by Arthur H. Groten, MD, received Vermeil and the ESPHS Award for the best exhibit of New York postal history at ROPEX 2007 in Rochester, May 18-20.

As stated in the Show program, "This display class exhibit looks at the golden era of the Adirondack Hotel, large and small, c. 1860-1915." Groten's five frames were filled with a colorful array of postcards, travel brochures, hotel memorabilia, letter sheets, hotel covers and other postal history designed tell the story of how the Adirondack interior was reached during the period covered by his exhibit.

Groten has authored a well-illustrated article about the exhibit appearing in the May 2007 issue of *The American Stamp Dealer and Collector*, page 40.

Society Treasurer George Dekornfeld received Silver at ROPEX for his three-frame exhibit, Hudson, New York Post Marks and Postal Markings 1794 to 1900, as did Raymond Stone for each of his NY-related illustrated mail exhibits, 5¢ Circus Wagon (stamp issued in Syracuse in 1990) and 10¢ Canal Boat (stamp issued in Buffalo in 1987).

The Society show award for NY postal history exhibits is a suitably engraved Waterford Small Lismore Clock and is given at WSP as well as local and regional shows if the necessary criteria are met.

PRZEPIORA NAMED WESTERN REGIONAL REP; CARROCCIA TO WRITE COLUMN ON NY POSTAL HISTORY AT AUCTION

David Przepiora, a longtime Society member and collector of Buffalo postal history, has been appointed ESPHS Regional Representative for the Western Region, succeeding Jim Littell.

Currently a resident of Cheektowaga in Erie County and an officer in the Cheektowaga Police Department, David is retiring from police work this year and moving to East Aurora, also in Erie County. David hopes to revive the informal gatherings of Erie County postal history collectors he once attended in East Aurora.

David's interest in history is not confined to postal history. He is co-author of the Cheektowaga Police Dept. history found on its website, <http://www.town.cheektowaga.ny.us/police/history.html> and sole author for the period from 1839 to 1969.

Our Western Region includes Niagara, Orleans, Wyoming, Genesee, Erie, Cattaraugus and Chautauqua Counties.

Alfred Carroccia, also from Erie County (West Seneca), joined ESPHS in 2005 and recently expressed an interest in writing a column for the Society on NY postal history appearing in eBay and other auctions. The offer was quickly accepted and his first column will be found in this issue of the *Bulletin*.

Active in the Buffalo Stamp Club, Al is editor of its Bulletin and writes the Buffalo Stamp Club page for *Stamp Insider* magazine. His postal history collecting concentrates on cancels and other markings.

Al was recently appointed Niagara Frontier Vice President for the Federation of New York Philatelic Societies. He would appreciate feedback on his column and can be reached at 152 Windmill Rd., West Seneca, NY 14218-3776, (716) 674-0302 or fuzzy9600@verizon.net.

(Multistate Competition continued from page 5)

With three or more NY postal history exhibits entered at PNSE 2007, if the best of these exhibits receives at least a Vermeil, the ESPHS Small Lismore Clock for the best NY postal history exhibit will be awarded. If there are enough qualifying exhibits in both multi-frame and single frame categories, two Clocks will be awarded.

The rewards are many. Sign up today!

**INSTATE EXHIBITING CHOICES
LIMITED THIS FALL;
STEPEX 2007 WANTS EXHIBITORS, POSSIBLY
OLEPEX TOO; GOOD OPPORTUNITY FOR POSTAL
HISTORY EXHIBITS**

With the Fall Mega Event in New York City not taking exhibits and Syracuse not holding its traditional fall show in odd-numbered years, the choices for exhibiting in New York State for the balance of 2007 appear to be only Olean and Elmira.

As of mid-June the Olean Club had set a date (September 22) and location (Elks Club, 209 W. State St, Olean) for its annual show (OLEPEX), but no information was forthcoming on whether or not they wanted outside exhibits (they've been known to limit their frames to members only).

Do not despair. OLEPEX exhibiting information can be obtained by contacting Jack Searles, 716-392-1072, searles@adelphia.net or Ron Yeager, 814-362-4471, cry@atlanticbb.net. OLEPEX uses six page frames, making it easier for the new exhibitor to get started.

STEPEX definitely wants exhibits for its show October 12-13 at a new location, the American Legion Post at 45 South Olcott Road (just off I-86 exit 49), Big Flats. STEPEX is sponsored by the Elmira Stamp Club and uses 16-page frames.

For STEPEX exhibiting information and entry form contact Al Parsons, 607-732-0181 or alatholleyrd@aol.com. Entering an exhibit in STEPEX this year could be particularly helpful to a postal history exhibitor with ESPHS member Bill Bauer, an experienced postal history judge and successful exhibitor of both Colorado and NY postal history, on the jury. STEPEX exhibitors have an opportunity for a critique by the jury.

The Society's Waterford Clock show award will given at both OLEPEX and STEPEX if criteria are met.

Information Request

We have had a request from Mathew J. Bowyer, who is working on a book to be called *Roanoke River: the Mother of America*. He is interested in determining whether or not 2 different post offices in New York State were named after Roanoke, Virginia. These post offices were located in Genesee County (1835-1839, 1847-1859, 1887-1888) and in Suffolk County (1870-1872). If you can verify that either post office was named after Roanoke, Virginia, contact Mr. Bowyer at 3504 Pinnacle Ridge Road, N.E., Roanoke, VA 24012, or (540-343-3791). His mail is matbowyer@matbowyerbooks.com.

SOCIETY MEETING SLATED FOR MADISON SQUARE GARDEN IN OCTOBER

At the Annual Meeting, last month, the Board of Directors voted to have our Fall Meeting at the Mega Event in NY City, at Madison Square Garden. The show runs from Thurs. Oct. 25th to Sun. Oct. 28th. This twice-a-year show always attracts a wide variety of dealers (50+) and is worth a trip from anywhere for that reason alone. Moreover, there are Postal Administrations from around the world, including the United Nations and the USPS, seminars hosted by some of the veterans of philately, and a fairly new event called Digital Philatelic Studies (DPS).

From the ASDA website: "A DPS is an electronic file or set of files that tells a philatelic story such as: the change from traditional to pictorial designs in British Caribbean Colonies; the Pony Express; or mail from the Crimean war. It combines the elements of journal articles, exhibits and PowerPoint presentations into a final electronic presentation form (i.e. PowerPoint file, PDF file, etc.). Like an article, the primary focus is on the story as it is told, but, like an exhibit or PowerPoint presentation, the emphasis is placed on the illustrations with the text as supplementary". Examples of DPS from the Fall 2006 Mega-Event may be seen at the ASDA's website - www.asdaonline.com.

ESPHS will have a table at the show and we will have our Semi-Annual Meeting on Saturday the 27th (time TBA). We will need help staffing the table, so please consider volunteering an hour or two to help us promote our society; I assure you it will be enjoyable.

I am currently collecting information on transportation and lodging for members that live a distance from NYC. Any members needing help in this regard please contact me at fbraith@optonline.net or call me at 631-265-7044. I am usually available from 7 to 9pm. Any members that are able to help with car-pooling, or able to pick up members at the airport, (Jet Blue usually has "killer" fares to JFK, I flew round trip to ROPEX for \$90), contact me and I will try to match you up.

I would like to hear from members that are interested in seeing a Broadway show while you are here. I hear that "Curtains" with David Hyde Pierce (from TV's "Frasier") is a hoot. All suggestions welcome.

Lastly, please don't think of this as a boring meeting day, but as a chance to mold our Society into what you, the members, want it to be, aaaand to meet and chat with people that share a common interest (does your wife like to listen to you talk about postal history?)

Frank Braithwaite

AN AUCTION REPORT

It is somewhat amazing the variety of material that winds up on eBay. While covers from discontinued post offices pop up from time to time covers from villages and towns no longer in existence are gems that can be had at rock bottom prices. Ebay lot # 300110430408, "Matteawan NY fancy advertising and cancel - nice collectible advertising cover. Vanderwater & Peck. Civil War era. Cover hinged on reverse" is such an item.

This clean cover with 3 cent 1861 issue and a lightly struck but readable "Matteawan N. Y. June 23" circular datestamp was described as being hinged on reverse. The corner advertisement listed Vandewater & Peck, a manufacturer of leather goods located in Matteawan. The opening bid was \$4.95 and sold for \$17.55.

The village of Matteawan, located in Dutchess County, was founded in 1709 along with the village of Fishkill. Both villages prospered during the Revolutionary War and the Civil War as manufacturing and industry dominated the area. However both villages were incorporated into the City of Beacon in 1913. Most of the buildings from the earlier era were demolished during the urban sprawl of the 1960's and 1970's. This cover is a perfect example of postal history from a village no longer in existence. An excellent addition to the postal history of New York State.
