UNIT 20

BULLETIN

APRIL 1977

PRESIDENT'S MESSAGE

Please note that the Annual Meeting will be held on May 1, 1977 at KARRAT'S RESTAURANT, Utica, N.Y. The Board of Directors will commence at 10:00 A.M., the general meeting at 1:00 P.M. and the auction right after the regular meeting.

The lack of interest in the nomination of Officers was very disappointing. It appears that a new method will have to be devised such as a nominating committee. The Board of Directors especially should have some rotation of members in fairness to the people who have been serving for long periods of time.

Our publications are progressing. Several members have submitted material for separate monographs and also some for Excelsior. Our membership is growing but more active participation is required.

Don't forget our regular meeting Sunday, March 27, 1977 at KARRAT'S. Trading, selling etc. will be the order of the day. Bring your surplus material.

MEMBERSHIP NEWS:

We welcome to membership Kenneth J. Sultana, whose application appeared in the December Bulletin; Stephen Main, William J. Blaum and Herbert P. McNeal, whose applications were published in the February Bulletin.

DUES NOTICE:

Notices of 1977-78 dues, are enclosed to those members who have not already prepaid. If there is no notice, you are PAID UP. We are able to hold the \$5.00 figure again this year although postage costs are up due to the increase in 3rd Class mail and sharply higher printing costs. Significant contributions are made to the general fund through the semi-annual auctions and interest on our reserve funds. Additions to the general fund came also from the bus trip, while the publication fund profited from sale of pamphlets.

Please return the notice with your dues, it helps with keeping track of the changes of address, etc.

SUSPENSION OF SALES AND TRADING AT MEETINGS:

After President Seifert's notice in the February Bulletin that no selling by members or dealers shall take place when an auction is held, several letters objecting to this action of the Board of Directors were received. Because of the heavy schedule for the Annual Meeting, the ruling still stands - for that meeting. A Board of Directors session will further discuss the matter at that time. Time of the Director's meeting, general membership meeting and the spring auction, a full day's calendar, will be found in the notice of meeting on another page.

ELECTION OF OFFICERS:

In spite of our efforts to interest the membership in nominating the candidates only one nominating letter was received, requesting that the present slate be posted for re-election.

According to our by-laws, all officers serve "until their successors are elected or appointed ..." Consequently, the officers whose terms expire April 30 are automatically held over, President Seifert, VP Tuttle and Secty-Treas. de Lisle for another two years and Directors Bernadt, Koberg and Moore for three years. The President will fill the remaining vacancy by appointment.
