# THE PRESIDENT'S CORNER

Hello All!

Time for the December Bulletin! Its a good thing we've got George, because he's the whole thing right at the moment.

We are still looking for people to do some portion of the work on the Bulletin. George Margulis is the only one to come forward so far and will press him into service soon. It sure would be helpful for a few people to contact me or the secretary. Without a Bulletin I am afraid we are not a viable Society. We need you now!

I expect we will have something to mail you again in February. No doubt, good old George will be ready with the next auction and I expect the new roster will be ready by then. Perhaps we will have a few more things for you too.

Have a good holiday season and good collecting!
