KARRAT'S (near Utica)
From 10am to 4pm**

SOCIETY NEWS

By *Maris Tirums*
- Secretary

The annual meeting of the ESPHS will take place on the traditional first Sunday in May. The location of Karrat's is well known to most members. If you have any questions about location, travel, etc., be sure to contact any officer for full information and possible car pooling.

Karrat's has been going through a difficult time recently, and there was some doubt that they would be open for our meeting. At press time we were assured that they would indeed be open and ready for us. If there is a late change in this information, we expect that a post card will be sent to the membership with alternate information about the location and time of the meeting.

Do your best to attend. The morning is spent looking, trading and buying from the many wares that dealers and members bring with them. Of course this is a great day for meeting friends, both old and new. Enjoy a nice dinner at this restaurant which is locally famous for their medium priced meals. The formal meeting will start about 1pm, and the Society will conduct its business at that time. You will be happy that you decided to go !

ANNUAL MEETING

The 1993 ANNUAL MEETING will be held on May 2nd at Karrat's Restaurant on Route 5 just west of Utica. As usual, we expect to have an assortment of postal history material available for sale from about 10:00 AM on, and the actual meeting will be convened at about 1:30 PM after lunch has been concluded.

Anyone with postal history material that they would like to sell is urged, indeed encouraged, to bring it to the meeting. Also, please plan to have lunch at the restaurant as that is the only "pay-back" that Karrat's receives from us for the use of their meeting room. While no one is obligated to have lunch there, it would be appreciated.

This year's annual meeting will see an election of all officers as well as of three directors-at-large.

As this is being written, there is a possibility that the venue for the annual meeting may have to be changed. If a change becomes necessary, the SOCIETY will notify the membership through a separate mailing. We shall have our meeting at Karrat's unless you hear otherwise.

FINANCES

The Society's financial status continues to suffer in face of the precipitous drop in interest rates. The regular savings account that the Society maintains is now earning an anemic 2.75% as of February 1, 1993.
